MESSAGE

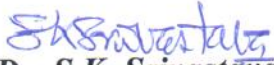

We are happy to learn that this year Vigilance Awareness Week is being observed from 30th October – 4th November'2017 on the theme 'My Vision – Corruption Free India (मेरा लक्ष्य- भ्रष्टाचार मुक्त भारत)'.

Corruption is a canker and the biggest obstacle for the rapid progress of the country. It has to be combated ruthlessly at all levels and eliminated totally for the country to achieve growth in every sphere, including economic, social and political.

In order to eliminate corruption, there is a need to develop and implement effective anti-corruption mechanisms. Active participation of individuals is of utmost importance in the fight against corruption. All sections of society should ensure that greater emphasis is laid on generating awareness among the public regarding the existence, causes and threat posed by corruption. This is an effective and sustainable means of fighting corruption.

I wish the Vigilance Awareness Week 2017, all success and extend my greetings to the vigilance fraternity.

Let us make our country corruption free.
